# These Men Will Want Civilian Clothes in Tune With the Times and New Spirit

OU young men have a new I slant on life and things, including your clothes You are no longer buying "just clothes." It's the way you look in your clothes that interests you and her and everybody.

In the New Spirit You want of Things

your appearance to

oe in tune with the new life and the new spirit of things.

The old idea, the old tune, is something 'way back there before the war.

You will see when you look around that the height of most of the clothes-making enterprise is merely the old tune with variations.

It won't do for you, or for us.

All America knows the growing ascendency of Kuppenheimer Clothes for young men? This is the fastest growing clothing business in America; more than doubled in the last four years.

It is more than a A House of Young Men's House Young Men it is a house of young men.

It's a great thing to keep the spirit of a business young. It means vigor and vitality and punch in the product. It means grace and life in the design. It means a happy creation of style that reflects itself in a feeling of confidence when you wear the clothes.

It means the thing you have been looking for and that you will surely find at the "House of Kuppenheimer Clothes" in this city and in every metropolitan center in America.
